

The Barn

LOOKING FOR THE PERFECT BLEND OF LUXURY BUT WITH A TOUCH OF RUSTIC?
IF THIS IS YOU, THEN HOMESTEAD PARK AND THE BARN
IS EXACTLY WHAT YOU ARE LOOKING FOR.

Welcome to Homestead Park

The Ceremony

Your wedding day should be nothing short of magical, and that's exactly what you'll get when you choose The Barn at Homestead Park for your ceremony and reception. From the stunning ceremony locations to the intimate and romantic barn reception space, every detail has been carefully crafted to create an unforgettable experience for you and your guests.

We offer two stunning locations for your ceremony, one of which is the front lawn located in front of our old 1800s Homestead set amongst English gardens. The short walk down the tree lined driveway between the Homestead and The Barn also allows for a clear distinction between your ceremony and reception. We also offer a more rustic location for your ceremony: the lawn at The Barn. This area provides a natural setting with the barn as your backdrop surrounded by nearby olive grove and farmland.

Our wedding venue offers the best of both worlds, with two unique locations that cater to different styles and preferences. Whether you choose the front lawn or the lawn at the Barn, both locations provide a beautiful setting that will create lasting memories for you and your guests. In the event of wet weather, inside the Barn is the perfect location for your ceremony with its large, hand-made timber doors providing a backdrop.

The Reception

The Barn truly is the perfect location for a rustic and charming wedding reception. With its intimate and romantic ambiance, guests will feel like they're in a fairytale. The fairy lights and greenery create a magical atmosphere that will transport you to another world. The open fireplace provides warmth and adds to the cozy ambiance, making it the perfect spot for unpredictable Melbourne weather. The bar is fully equipped and ready to serve up your favourite cocktails and drinks.

When you book The Barn, you're not just booking a venue; you're booking an entire experience. The adjoining Stables and outdoor Cattle Yards are perfect for those looking for an atmospheric touch. The festoon lighting adds to the charm and rustic feel of the venue. The commercial kitchen is complete with various cooking appliances and refrigeration, so your caterer will have everything they need to prepare your delicious wedding feast. With three bathrooms available, including one with disability access, your guests will have everything they need.

With the Barn accommodating up to 150 guests, you'll have plenty of space to enjoy the celebration with your loved ones. For those all-important romantic sunset photos, the owners can whisk you away in an airconditioned or heated Kubota with your photographer. Homestead Park is also pet-friendly, so you can bring your fur babies along to be part of the celebration, with horses stabled in The Stables if desired.
